The First Mark™ brand stands for quality, consistency and value for all of your foodservice disposable needs.

From cups to plates to hinged containers, First Mark foam products are manufactured to exacting specifications and designed to meet the changing needs of the foodservice professional.

- Foam cups are insulated to keep beverages hot or cold while protecting the users hands. Versatile and snug fitting lids can be used with hot or cold beverages.

- Foam plates, platters and bowls provide economy, convenience and strength for any application. For additional durability and strength, choose laminated plates that deliver superior performance and cut resistance.

- Hinged foam containers afford maximum flexibility and convenience for any food service operation. Single or three compartment containers are compact for space saving storage with simple and secure closures. Perfect for take-out, buffets, delis or catering.
